The Beautiful Gate Cancer Support & Resource Center Announces first 30-second commercial

Deltona, FL – May 8, 2025 – The Beautiful Gate Cancer Support & Resource Center is pleased to announce the launch of its inaugural 30-second commercial in Florida. These commercial aims to promote free 3D mammograms for uninsured women through its Mammogram After Sunday Service (MASS©) Program that raises awareness about the necessity of reducing late-stage breast cancer diagnoses by bringing 3D mobile mammography units into specific communities that may lack access to quality healthcare. Women residing in Florida who are uninsured are eligible for this initiative. MASS is the signature breast health program of the Florida Breast Cancer Foundation.

For more information or to register for an upcoming MASS Breast Health Education & 3D Mammogram Screening event, visit <https://thebeautifulgateinc.com/mass-program/>.

About The Beautiful Gate Cancer Support & Resource Center:

The Beautiful Gate Cancer Support & Resource Center is a 501(c)(3) non-profit organization dedicated to providing breast and cervical cancer education, screenings, and support to underserved women who reside in Florida. Through programs like the MASS© Program, The Beautiful Gate is committed to removing financial barriers and ensuring that no woman is left behind in the fight against breast cancer.
